Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. § 1.97(b)(3), i.e. prior to a first Office Action on the merits.

Attached are copies of two English-language abstracts of Japanese patent publications, one French, one WIPO and one German patent publication, which were cited in the attached French Search Report, dated July 25, 2006, which was issued in connection with a French counterpart patent application No. 04 03850. Also attached are English-language abstracts of the French and German patent publication from which any relevance of the publications can be gleaned. The documents are listed on the attached Form PTO-1449. Also listed for consideration on the Form PTO-1449 is a U.S. patent, which was also cited in the French Search Report. Any relevance of the U.S. patent is self-evident.

It is hereby certified that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Since this Information Disclosure Statement is being filed before a first Office Action on the merits, no fee is required, and the requirements of 37 C.F.R. §§ 1.97 and 1.98 are deemed to be fully met as to all listed documents. Consideration of the listed documents is respectfully requested.

Should any fee be required, however, the Commissioner is hereby authorized to charge the fee to our Deposit Account No. 18-0002, and notify us accordingly.

Respectfully submitted,
